In our **16th Retirement Liquidation Sale**, we begin the final push to find good homes for our remaining inventory. We are now in Fire-Sale land. This sale includes all NEW magazines with games (**S&T, World at War, Modern War, Against the Odds**, etc), plus a handful of MINT ones as well. Discounts begin at 10%, and go **up to 35%** off of our already heavily discounted normal selling prices. And you get the better of the discounted price or our Liquidation Price if you buy 8 or more items. Effective discount off list can easily be well above 50%.

77 mag-games remain. These are part of what made us unique as a business, so it is the beginning of the end.

The structure of this sale differs from prior Retirement Sales. Our reference price is **Fine Games' normal selling price**, which are heavily discounted in proportion to how many items from this sale you order. We offer a comprehensive spreadsheet shopping tool which, while optional, should help you make short work of shopping among the 77 available. You can calculate an order total all on your own !

This sale ends promptly at **11.59pm on Monday, 6 May**. That's 4 days from now. Best get busy! If you are not receiving this offer directly, subscribe by emailing us with your contact info (Name, Address, Phone# and email).

Finally, be aware that I continue thinning my own personal collection of games. As I progress, surplus games appear in our catalogs. This includes a boat load of rare or obscure games from the early days of our hobby (1960s-70s), including a half dozen Poultron Press games.

Retirement Liquidation Sale offer includes these rules of the game:

- This deal expires after Monday, May 6, 2024 (11:59pm)**. Your order MUST be placed and confirmed before then, and paid soon thereafter. **We reserve items for you only after you confirm an order and tell us how you intend to pay.**
- Reference price for all items in this sale is Fine Games' normal selling price. This is then discounted according to how many items from this sale you purchase, with a few limits.** We strongly urge you to download our comprehensive spreadsheet tool that complements this catalog. With this spreadsheet, you can accomplish all aspects of shopping, reading the same descriptive material there, selecting a quantity, and immediately seeing the discount you and net price for each item, and the net total for the entire order including shipping. Pretty slick if I do say so myself.
- Please communicate your order to us by including each items' (1) part# (2) title and (3) price.** For example,

part# 123456	D-Day at Fine Games	\$10.00
---------------------	----------------------------	----------------

You find it convenient to simply **send us your completed spreadsheet**, saved with your name as part of the file name, for us to transcribe. We have included an "Original Line Item #" to help us communicate the items you are interested in. Include that.

Second, please include the total number of items you are ordering, and both the total net merchandise total, and the calculated order total including shipping. Don't have these added figures, no worries; we'll calculate them here. In addition, **please confirm your current address & phone, and tell us how you intend to pay for your order.**

- If all and all of this info is included with your order, and you plainly state that you are ordering the items you've listed, we will immediately reserve what is available for you.** Since we have only one copy of most items on sale here, it is vital that you provide complete order info from the get-go. Otherwise we will not be able to reserve things for you, leaving your selected items available for sale to others.
- Normal ordering, payment, and customer care terms apply. Prices here are stated on a cash-basis;** expect to pay 3.75% more if you pay on a non-cash basis (i.e. where we don't receive 100% of the proceeds: PayPal & credit cards). Send PayPal payments to **PayPal@FineGames.com**.
- Shipping will generally be charged on the basis of tiered flat rates.** (Foreign shipments will continue to be charged on a weight-based basis as always.) Since all sale items are unboxed magazines, ONE items ships for \$9, up to FOUR ship for \$11, and up to about TWELVE for \$17; beyond that, shipping price will be quoted based on the shipping chart that follows.

Detailed Explanation of Discount Structure for this Retirement Sale

Here are the details on the discount structure for this sale. They are not complicated, but we urge you to use our **spreadsheet shopping tool** so you don't have to do the calculations yourself. Just select one or more items of interest, and all calculations up to a projected order total with shipping, are made for you immediately & automatically. [Download here](#)

Note that our **Spreadsheet Tool** is a XSLM macro-enabled file. There is only a single macros included, and it provides a simple means of clearing all quantities ordered so you can start afresh. We assure you the file is harmless.

Also, our listings are presented within what Excel calls a data table. You you can use the little buttons at the top of each column to sort or select automatically if you wish.

Now, the Rules:

1. Discounts are taken off Fine Games' normal selling price. **Discounts start at 10%** if you order just a single item, and **top out at 35%** if you order 16 items or more. Only the first \$40 of an item price is subject to discount, and the maximum discount per-item is \$14 (35% of \$40).

# Items Order	Discount%	# Items Ordered	Discount%	# Items Ordered	Discount%
1	10%	6	22%	12	30%
2	13%	7	23%	13	31%
3	17%	8	25%	14	32%
4	20%	9	26%	15	33%
5	21%	10	27%	16 or	35%
		11	28%	more	

Remember, the **discount is off Fine Games' normal selling prices**, already discounted from List Price. A typical mag-game listed at \$49.99 we normally sell for \$37.50. Order 4 such mags, receive a 20% discount on each. So $(4 \times \$37.50 \times 80\%) = \120 , or 40% off of List Price.

2. If you order 8 or more items, we give you the lower of (1) the discount as above, or (2) our liquidation price. You get the best of both worlds, and won't pay more than what you've seen in prior sales. Note that not all items have a liquidation price.
3. At 8 items, you are basically buying these mag-games at our own cost. Beyond 8 items, you're buying them below our own cost.
4. **Maximum of a quantity of ONE (1) of each item, per customer.** Also, we reserve the right to limit purchase quantities to 16 early on in this sale when things are busy.
5. Nearly all items are available in a quantity of one-only, total. So you'd best act fast if you want to get all the items you want.
6. Because of the confusion & chaos that would result if we did not impose this limit, we will reserve items for you **ONLY** if complete order details are provided: (1) explicit confirmation of an order, (2) specific instructions of how you wish to pay, and (3) your current home address & phone # if you've moved recently or haven't ordered in more than a year.
7. Make things easy by using our Spreadsheet Shopping Tool for this sale. [Download here](#)
