Fine Games, 2078 Madrona St., North Bend, OR 97459-2143 USA email: M.Dean@FineGames.com 541-756-4711 10am-9pm PST

This is it: Fine Games final Liquidation Clearance Sale. Included are all 200-some items (**64** line items) that remain in our inventory. Nothing is held back. And all are at a final sale price.

In addition, we list the 100 games which are surplus within my own, personal game collection. Prices here have been reduced for this sale but few are at liquidation pricing.

There is no formal expiration for this sale, tho we expect to be effectively retired by the end of May. Still, things are pretty cheap and may sell quickly (I hope). First come, first served as always.

To place an order, email us at M.Dean@FineGames.com, or phone us at 541.756.4711 9am-9pm PST.

Please note that (1) we no longer accept credit cards directly; to use a CC, you must pay via PayPal; (2) our 800# will be disconnect at the end of April; dial us directly at 541.756.4711; and (3) our fax# has already been disconnected, but who cares?

Thank you for being a customer of ours to the end. Whether you've bought lots or just a little, we appreciate your having made this a career-spanning business that paid for my retirement! Thank you.

MD

Retirement Liquidation Sale offer includes these rules of the game:

1. We reserve items for you only after you confirm an order and tell us how you intend to pay.
2. **Items in this Liquidation Sale each have a liquidation sale price.** Simple. That is the price you pay for each item.
3. **Please communicate your order to us by including each items' (1) part# (2) title and (3) price.** For example,

part# 123456 D-Day at Fine Games \$10.00

In addition, **please confirm your current address & phone, and tell us how you intend to pay for your order.**

If all this info is included with your order, and you plainly state that you are ordering the items you've listed, we will immediately reserve what is available for you. If you are unclear about whether you are ordering, or how you intend to pay, we may not be able to reserve things for you immediately since it isn't clear you are committed to an order.

4. **With one major exception, normal ordering, payment, and customer care terms apply. Prices here are stated on a cash-basis;** expect to pay 3.75% more if you pay on a non-cash basis (i.e. where we don't receive 100% of the proceeds: most PayPal). Send PayPal payments to PayPal@FineGames.com.

We no longer accept credit card payments directly.

5. **Shipping will generally be charged on the basis of shipping weight.** This allows us to offer incredible deals but not lose our shorts on shipping, and is in contrast to the largely flat-rate charge we have used historically. Orders requiring weight-based shipment will be assessed shipping per our domestic shipping rates presented on the following page, and at www.FineGames.com/text/dom_ship.pdf. (Smaller orders will ship with our lesser, normal rates. Foreign shipments will continue to be charged on a weight-based basis as always.)

"Weight" is the greater of physical or "dimensional" weight. Dimensional weight presumes a certain density to a given package size, and is carriers' way to generate additional revenue without providing any value in return.

Fine Games' domestic shipping rates apply to this sale. The primary change from our normal terms is that orders requiring UPS shipment will be assessed shipping charges based on shipping weight. Shipping weight is the greater of physical or dimensional weight. Rates here reflect seasonal peak increases for USPS.

We will quote costs per a specific order using the least-cost method. Contact us for rates for 26# or more. Note that both dimensional weight and packaging weight must be considered to arrive at the final weight to be charged, and that surcharges for rural zip codes still apply in addition to the prices stated here.

In general, we will estimate shipping weight and shipping charges at the time of your order. After shipment, if there is a significant discrepancy between estimated and actual shipping weight, you will be credited tor debited as appropriate to reconcile to actual shipping weight as assessed by the carrier (generally UPS).
